A GELÁSIO

Commitment, seriousness, and trust. There are no values more enduring than those that unite a family, and it was from this foundation that Gelásio Indústria e Comércio drew the ideals for its creation. Since 1978, the company has maintained a leading position in the market. Located in Blumenau, Santa Catarina, it manufactures accessories for the apparel industry, working with integrity, ethics, and a commitment to always delivering the best results for each client, earning recognition and a positive reputation throughout Brazil.

Constantly investing in both technical and personal development, Gelásio seeks innovations in the national and international markets that lead to increased productivity, while never neglecting its main hallmark: quality. With innovative projects, the company can now present measurable results that allow for a more thorough evaluation of all its departments and foster continuous improvement—ultimately achieving what matters most: customer satisfaction.

In a highly competitive industry, Gelásio stands out through its specialized customer service, tailoring its work to each client's specific needs by offering expert consulting. This important differentiator, combined with the company's business approach, ensures that it continues to move forward steadily on its path.

And we know that in all things God works for the good of those who love Him
